

Storm Sentinel® Curb Grate Guardian Filter

SKU: 43-GGW-CURB

**Installation:**

1. Remove catch basin grate.
2. Remove dirt and debris from grate and basin edges.
3. Stand the grate on its end and slide the fabric bag over the grate (note the overflow hole should be face up as shown in the image above).
4. Lay the grate down and flip to the opposite side allowing the grate to slide as close to the curb deflector as possible.
5. Seal the bag using the hook and loop fasteners.
6. Lift using the built in straps and reinstall grate. Once in place, straps can be tucked behind the curb deflector.
7. The edges of the curb deflector should extend beyond the opening on both sides. Check that there are no gaps between the curb deflector and ground.

Removal:

1. Using the handles, lift and remove the catch basin grate and filter.
2. Stand the grate on its long side and slide the fabric off the grate.
3. Dispose of contaminated Storm Sentinels® according to all local, state and federal regulations. Contact your local disposal authority for more information.
4. Replace and install new filter.
