Installation:

1. Remove catch basin grate.
2. Remove dirt and debris from grate and basin edges.
3. Place the filter over the grate and adjust the wire frame to fit the outside edges.
4. Place the wire frame inside the edge and hang fabric inside basin.
5. Adjust the frame as necessary to fit into the corners of the basin lip.
6. Reinstall grate.

*If oil version was purchased, oil absorbing packet is replaceable.

Removal:

1. Remove catch basin grate.
2. Lift and remove storm drain filter using yellow straps.
3. Dispose of contaminated Storm Sentinels® according to all local, state and federal regulations. Contact your local disposal authority for more information.
4. Replace and install new filter.
