

Product Instructions

IBC Space Saver Pallet

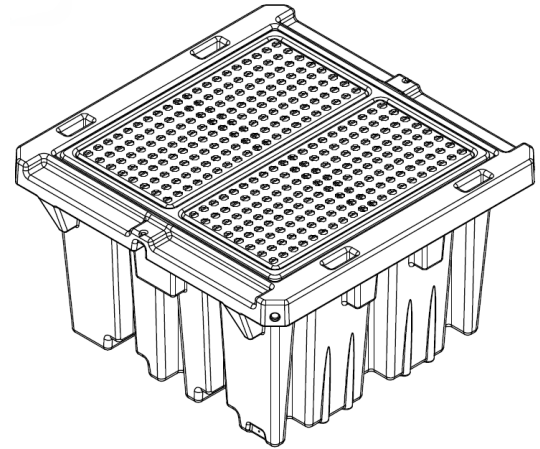

SKU: 5460

Important Information

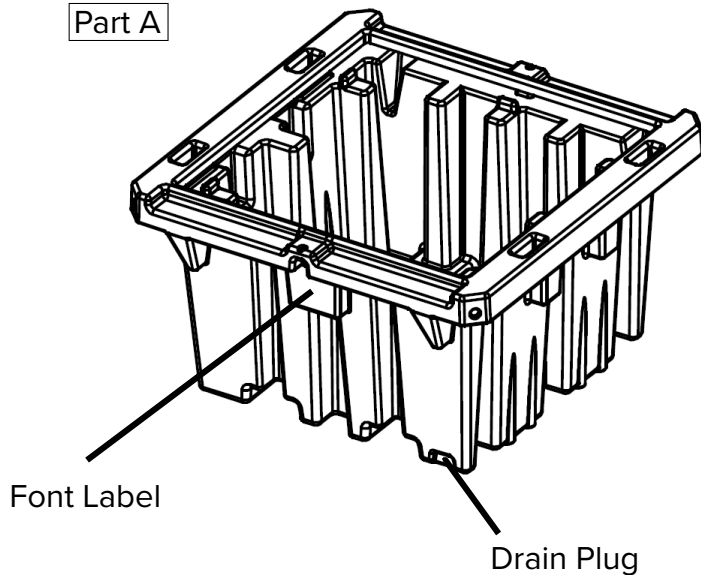

- **Two people** are required to assemble this product.
- Ensure that the unit is assembled correctly with each use. Instructions are available on our website.
- Failure to follow the instructions will void all warranties.

Parts Included

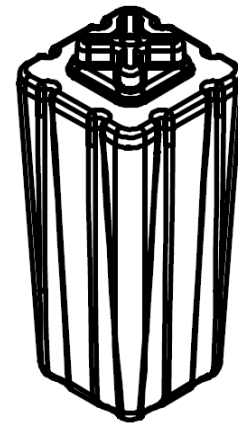

- (1) Sump (Part A)
- (1) Center Tower (Part B)
- (1) Pallet (Part C)
- (2) Grate (Part D)

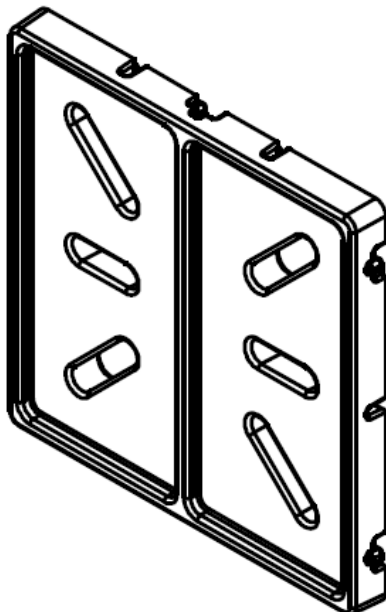

Part A

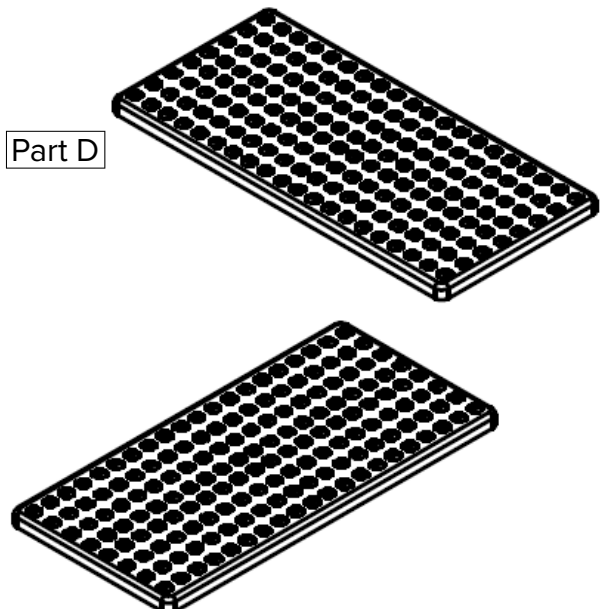

Part B

Part C

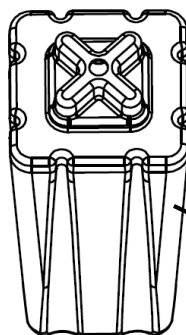

Part D

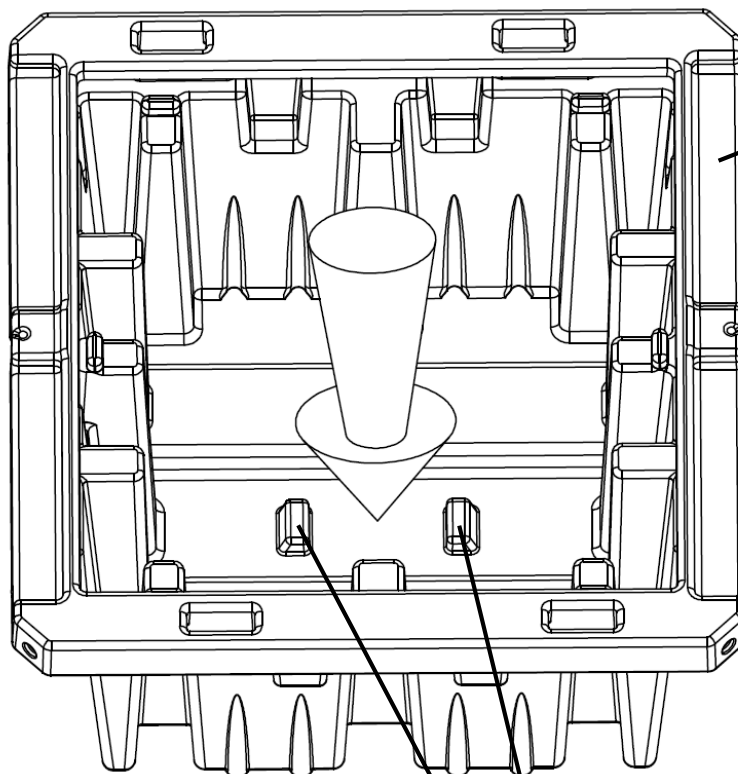

Assembly Instructions

1. Place the center tower (Part B) into the center of the sump (Part A). Be Sure that the center tower is located by the alignment ribs within the sump floor. (See Fig. 1 and 2)

Part B

Part A

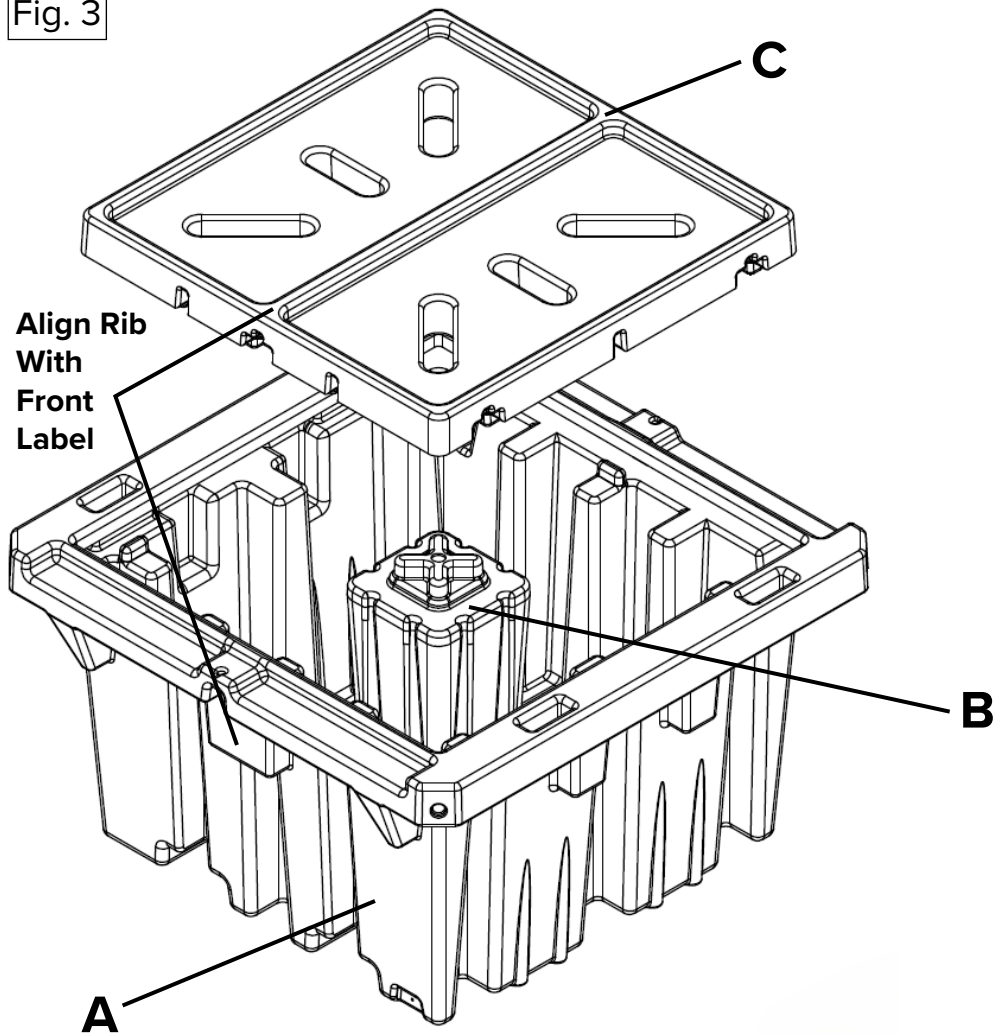

Fig. 2

Alignment Ribs

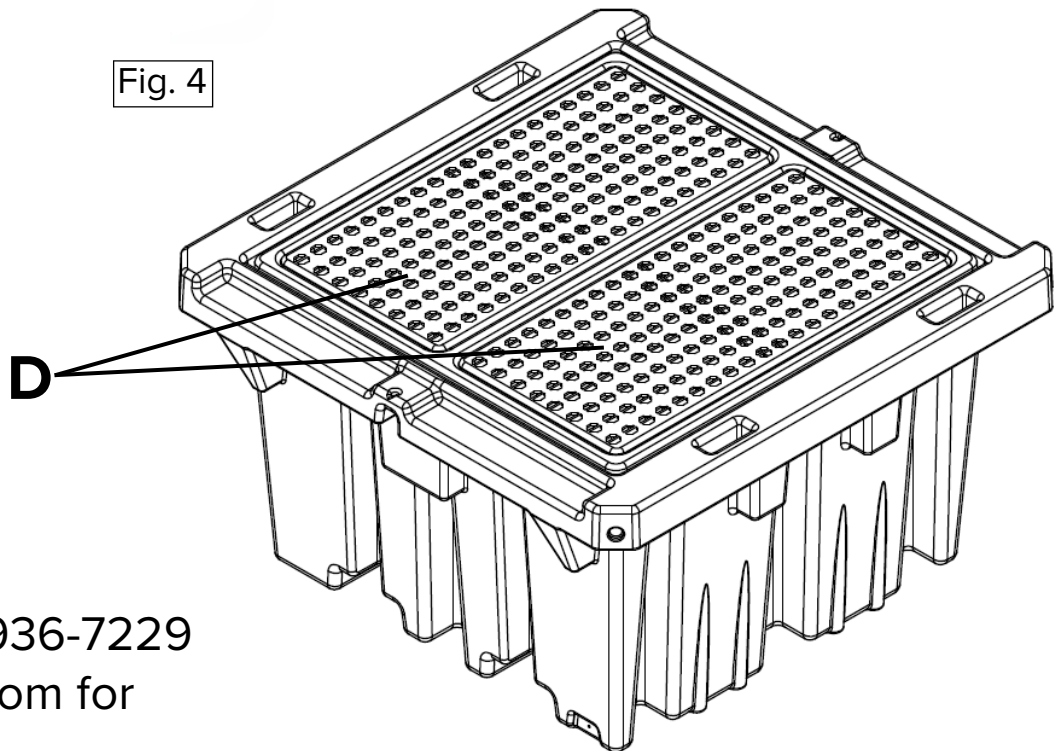

2. Place the pallet (Part C) onto the assembled sump (Parts A and B.) Align the pallet notch to the sump. Ensure the center tower (Part B) nests into the upper recess of the pallet. If needed, the center tower can be adjusted by reaching through the slots of the pallet. (See Fig. 3)

Fig. 3

3. Place two grates (Part D) onto the top of the pallet. (See Fig. 4)
