

STINGER ECONO-BERM™

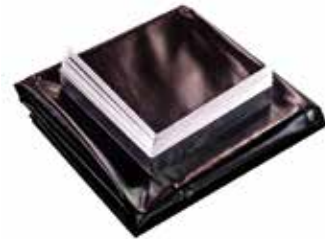

YOUR LOW COST SOLUTION FOR ALL FLEXIBLE CONTAINMENT NEEDS

ENPAC's new Stinger Econo-berm, featuring a highly chemically resistant fabric and removable aluminum stays, creates a cost effective alternative to comparable products. The light, yet durable fabric and 12" supports allow for efficient transportation, convenient setup, and easy tear-down. Versatile engineering allows setup to be customized to user's preference. Depending on your unique setup, stays can be turned in or out for ultimate convenience. The Stinger Econo-berm is the perfect, low cost, low profile solution for your flexible containment needs.
