

SORBENT PILLOWS

Thirsty loose-filled pillows available in Oil-Only, Universal, and Aggressive pick up your spills quickly and efficiently.

**ABSORBS
UP TO 25
TIMES IT'S
WEIGHT!**

BOOMS

ENPAC® oil only, oil-select polypropylene sorbent booms are great for picking up all oils and hydrocarbons spilled on water. Fast-wicking white fibers are stuffed into 5" and 8" diameter booms 10' long. Comes complete with hooks and loops to link booms together for spills over large areas. Ideal for catch basins, sumps, marinas, and industrial applications.

DRUMTOPPER™ PADS

ENPAC® meltblown oil-select polypropylene sorbent pads are the most cost-effective absorption technology today. Fast-wicking fibers absorb up to 25 times their weight.

SORBENTS
