

BUILD-A-TRAY ASSEMBLY INSTRUCTIONS

SKU: 5266-BD

1. Separate all pieces A, B, C, D, and E. Discard all scrap pieces. (Fig 1.)
2. Fold corners and sides of part A up, and then fold end tab over the corners to the inside bottom of the tray. (Fig. 2)

Fig. 1

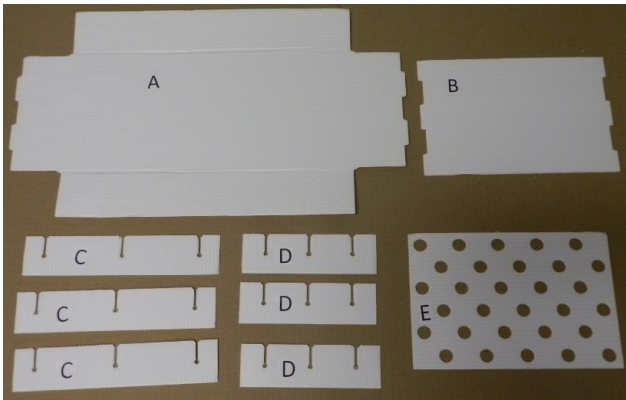

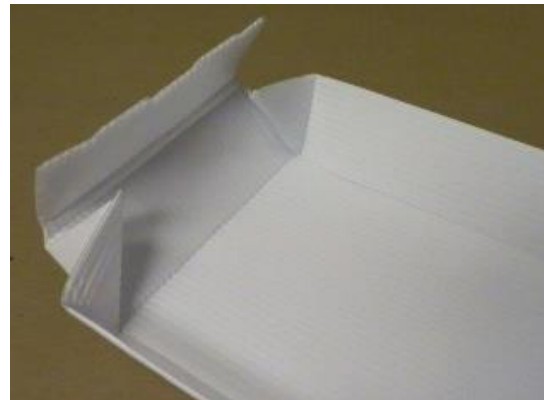

Fig. 2

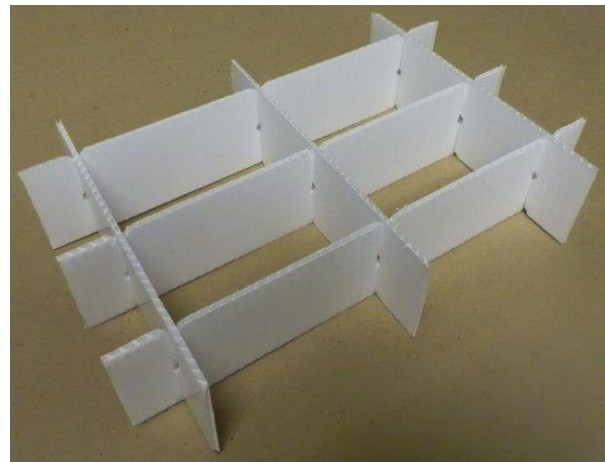

3. Place part B into the bottom of part A to keep end tabs of the tray into position. (Fig. 3)
4. Assemble components C and D to make the base. (Fig. 4)

Fig. 3

Fig. 4

5. Place base, parts C and D, inside the tray and put part E on top to complete assembly. (Fig. 5 and 6)
