

**12' x 26' x 1'H – Stinger Snap Up Containment Berm**  
**SKU# 48-12261-BK-SU**

Stinger Snap-Up berms are ENPAC's most popular and intuitive containment berm. Available in a wide variety of sizes, the triangular stays create a sturdy sidewall and are welded in place, leaving no loose parts that can be lost. Setup is a snap: simply slide the bottom portion of the stay into the appropriate pocket, and your chemicals are fully contained. The sidewall easily lays flat to be driven over by vehicles and other equipment.

- Air-lance tested to ensure the seal of all welds
- Liquid tested and reviewed for leaks
- Top hem adds strength to the top of the sidewall (1" safety factor)
- All berms include serial numbers for tracking
- Compact storage and transport
- Fuel and puncture resistant material
- Made in the USA
