

**2-Drum Drum Deck – Black Diamond
SKU# 5142-BD**

This modular spill tray is a versatile secondary containment option that can house drums or be used to prevent drips and leaks from reaching the floor. The engineered sidewalls even lock together to form an integral, compliant pallet for storage of up to four 55-gallon drums.

- Lightweight, nestable design ships efficiently
- Cost-effective
- Ribbed floor keeps drums out of the spill
- Modular linkage with another 2-Drum or 1-Drum (5141-BD) Unit
- Patent No: US 9,896,244 B2
