

4 Drum Spill Pallet – Black Diamond

SKU# 5400-BD

The Black Diamond four drum spill pallet is the best secondary spill containment pallet for the price. The low profile sidewall provides easy access to drums, as well as removable grates to easily clean the sump in case of a spill. It meets or exceeds all regulatory requirements and is tough enough to be an outdoor storage solution.

- Holds (4) 55 - Gallon Drums
- Integrated pedestal system with 4000 lbs load capacity
- Low profile sidewall for easier dispensing and loading
- 66 Gallon Capacity meets EPA and UFC secondary containment requirements
- Removable grates for easy cleaning
- Manufactured with recycled polyethylene resins
- Hot-box tested for performance in the world's harshest environments
- Optional Drain
- Optional tarp available for outdoor use
