

**Tarp Cover for 5400-YE
SKU# 5400-TARP**

Tarps provide protection from the elements for your drums and the containment itself. They are durable, chemically resistant, and custom fit to the sump to prevent rainwater intrusion that can cost you time and money.

- Extremely chemically resistant fabric has long life, even in full UV exposure
- Bungee straps along the bottom keep the tarp in place
- Custom fabricated for a precise fit
- Fits 5400-YE

Technical Data		
	U.S.	Metric
Dimensions	56.5" L x 56.5" W x 44" H	143 x 143 x 111 cm
Unit Weight	7 lbs	3.1 kg
Spill Capacity	N/A	N/A
Load Capacity	N/A	N/A
Absorption Capacity	N/A	N/A
Material	PE Coated Vinyl
