

Poly-Tank Containment Unit 550
SKU# 5550-BK

Large tanks require large containment, and the Poly-Tank containment unit provides the right amount without wasting extra space. The interior is large enough to fit a 550-gallon skid tank, as well as hoses, pumps, and other related equipment. This is the perfect unit to protect water sources from contamination on construction sites, farms, and marine environments.

- Fits 550-gallon skid tanks, 150-gallon and 300-gallon elevated tanks, and more
- Available tarp to prevent rainwater intrusion
- Drain optional
- Trickle Filter w/ Automatic Shut-off available
