

## 20-Gallon Prowler Pool

SKU# 5920-YE

Prowler pools are the most dependable, chemically resistant pop-up pools available on the market. They fold up for compact storage and deploy quickly for rapid response. The teardrop design and top tension ring make them self-supporting, making them one less item to worry about in a high stress spill scenario.

- Resistant to abrasions and punctures
- Cold-Rated to temps as low as -60 degrees F
- Half the weight of comparably sized pools with twice the strength
- Easily fits into spill kits and perfect for truck kits
- A favorite of hazmat teams and first responders alike
- Custom sizes available
