

**Single Cylinder Dolly HD ATD
SKU# 7301-BK-A**

This All Terrain Dolly has all of the same great features as the standard Single Cylinder Dolly with the addition of over-sized wheels for ease of use on rough or uneven work floors. The plastic construction is naturally non-sparking for added safety.

- Plastic design is non-sparking
- large, rugged, solid wheels for use on rough terrain
- ergonomic handle
- fits cylinders up to 15" in diameter
- Safety chain included
