

4 Drum Steel Spill Pallet, Blue

SKU# 9004-BU

Steel pallets feature the same great features as ENPAC plastic pallets, with the added benefit of being fire resistant. This makes them the ideal containment solution for flammable or combustible materials.

- Compliant containment for up to four 55-gallon drums
- Certified leak-free with 100% inspected welds
- Extra heavy gauge steel
- Four-way forklift access
- Galvanized grating
- Chemical resistant finish

Technical Data		
	U.S.	Metric
Dimensions	49" L x 49" W x 10" H	124.46 x 124.46 x 25 cm
Unit Weight	142 lbs.	64.42 kg
Spill Capacity	66 gal	249.8 L
Load Capacity	2400 lbs.	1089 kg
Material	Steel w/ Galvanized Grating	
Regulations	EPA 40 CFR 264.175, SPCC, NPDES and UFC
