

10'x10'x1' - Economy Snap Up Containment Berm

SKU# BD-1010

Versatility and superior chemical resistance says it all with the Black Diamond Snap-Up Spill Berm. Entry to the berm is a snap. Simply remove the triangular stays on the sidewall where necessary, and slide them back into place for ultimate containment. With many standard sizes to meet your exact need, and resistance to a wide array of chemicals, this berm will snap the difficulty out of any job.

- Common uses include storage and containment of multiple drums, fuel tanks, light-duty machinery, and small equipment
- Compact storage and transport
- Air-lance tested welds ensure a leak-proof product
- Ground Pad and TracMat available for added protection
- Optional oil-absorbent filter with automatic shut-off feature
