

**Universal Pillows - 18"x18"**  
**SKU# ENP 16UPIL1818**

Universal absorbents will soak up just about any liquid spilled, including water. Absorbent pillows can be placed directly on top of the spill to offer more absorption capacity than pads, but are also ideal for placing under leaking machinery to catch drips in hard-to-reach areas. Sold by the case of (16).
